

Geethanjali College of Engineering and Technology
Department of Electronics and Communication Engineering

MoUs – Summary

S.N.	Name of Industry	Date of MoU	Validity	Impact of Interaction
1.	Brainchip Systems India Private Limited	16-01-2025	Perpetual	<input type="checkbox"/> Collaborative initiative for Neuromorphic computing applications development in Edge AI.
2.	Silicon Labs India Pvt. Ltd.,	04-11-2024	3 Years	<input type="checkbox"/> Established Silicon Labs Innovation Centre in GCET, with associated HW and SW. <input type="checkbox"/> Conducted a workshop to students on IoT and its applications.
3.	Chandhar Research Labs Pvt. Ltd	25-11-2023	Perpetual	<input type="checkbox"/> Established 5G wireless communication laboratory. <input type="checkbox"/> Conducted FDP on 5G Communication and implementation using hands-on sessions.
4.	Physitech Electronics	26-04-2023	Perpetual	<input type="checkbox"/> Established industry supported laboratory on IoT. <input type="checkbox"/> Conducted FDPs on Raspberry-Pi, NodeMCU and IoT applications.
5.	Datalog Controls and Solutions Private Limited, Hyderabad	01-08-2022	Perpetual	<input type="checkbox"/> Industrial visit by faculty and students <input type="checkbox"/> The CEO of this industry was invited as judge for final year Project Exhibition. <input type="checkbox"/> Opportunity to students for Internship and execution of Mini/Major Projects
6.	LED Chip Indus Private Limited, Hyderabad	01-08-2022	Perpetual	<input type="checkbox"/> Industrial visit by faculty and students <input type="checkbox"/> Guest lectures were given by industry experts to students <input type="checkbox"/> Opportunity to students for Internship and execution of Mini/Major Projects
7.	VEDA IIT (Educational Society) through JNTUH	20-07-2022	Perpetual	<input type="checkbox"/> Students are trained in industry oriented curriculum at VEDA IIT since the academic year 2022-23. They are placed in core VLSI companies: 2 in AY 2022-23, 4 in AY 2023-24 and 1 in AY 2024-25
8.	Indian Railways Institute of Signal Engineering and Telecommunications (IRISET)	19-07-2022	5 Years	<input type="checkbox"/> FDPs are conducted by IRISET in Railway Signal Engineering and in indigenous Automatic Train Protection (iATP)-Kavach. <input type="checkbox"/> An official of IRISET is currently member of Academic Council of the institution. <input type="checkbox"/> Plan to offer certificate courses to students. <input type="checkbox"/> Opportunity for Industrial visit to students and faculty / Guest lectures by industry experts. <input type="checkbox"/> Opportunity for students to do Internship in the industry.

9.	Entuple Technologies Pvt. Ltd., Bengaluru	09-08-2021	3 Years	<input type="checkbox"/> Workshops in VLSI design using Cadence <input type="checkbox"/> Opportunity for Internship to students
10.	Hanbit Automation Technologies Pvt. Ltd.,	08-04-2019	5 Years	<input type="checkbox"/> Guest lecture by experts from industry <input type="checkbox"/> Opportunity for Industrial visit and Internship to students
